Part X, Line 2:	The Organization is exempt from taxation as a nonprofit organization in accordance with 501(c)(3) of the Internal Revenue Code. The Organization adopted the recognition requirements for uncertain income tax positions as required by FASB ASC 740-10 (formerly known as FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes), with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and the state jurisdiction where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at year-end. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.
